■ EXPERIENCE

Videographer/Editor

Investor Mel & Dave | North Bay, ON | December 2020 - March 2021

Job duties included

- Set preparation
- Videography (including camera and phone)
- Editing
- Script writing

Description

Responsible for the filming, editing and distribution of all content produced. The schedule included three Youtube videos a week (one live/two fully edited), three TikToks a day, as well as two Instagram stories a day. Additionally, I was responsible for the editing and distribution of our live show as a downloadable podcast.

VOLUNTEER WORK

Lion's Christmas Telethon
Live Telethon Event
2016 - 2017

OHL Live Broadcast Team
Assistant
2016 - 2017

The Escape Movement
Digital Marketing Intern
2018

Gatehouse Guard Assistant

Gardaworld | Timmins, ON | May 2020 - November 2020

- Screening/documenting workers upon entering the job site.
- Taking skin temperature readings/administering questionnaire in accordance with company COVID-19 protocols.
- Practicing strong communication skills with employees, workers, pedestrians, and supervisors about the status of the site.

Media Marketing Coordinator

Downtown Timmins BIA | Timmins, ON | May 2019 - August 2019

- Was tasked with increasing foot traffic in the downtown core for local businesses by making daily, weekly and monthly videos.
- Exercised excellent time management skills to Shoot and edited daily videos advertising our downtown street market/attractions.
- Conceptualized on a weekly basis videos to display the theme of next weeks activities.
- Built strong relationships with numerous businesses in the downtown core in order to shoot and compile videos for the "Your Downtown Timmins" campaign.
- Performed multiple tasks within and outside the office in order to ensure our events were as strong as possible. These tasks include aiding in the audio set-up of our live music stage as well as helping summer student with the set-up/teardown of the daily events.
